

MEMBERSHIP

Membership of the Nottingham Anglo-French Society is open to all age groups and to anyone with an interest in French language and culture.

Meetings are conducted in French, enabling members and guests to converse in French with native speakers and other Francophiles. However, it is not obligatory, because not everyone feels comfortable speaking French in an artificial situation.

If you use French only during your holidays, or if you are pursuing further educational classes, an A-level, a diploma or a university degree, Nottingham Anglo-French Society offers you the opportunity to listen to good French being spoken by native speakers and to learn about some aspects of French and Francophone culture.

Full-time students are encouraged to take part in the Society's activities and they are also eligible for reduced rates.

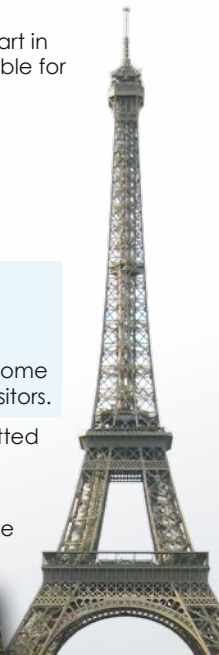

CURRENT YEARLY MEMBERSHIP RATES:

Individual member	£24
Couple	£38
Student or French Assistant	£10

Visitors pay a fee of £6 per meeting and become full members after attending 4 activities as visitors.

Visitors under the age of sixteen will be admitted free if accompanied by an adult.

If you would like to join the Society, please complete the form overleaf and send it to the Secretary, Mrs. Annick Lesaulnier.

L'ALLIANCE FRANÇAISE

The organisation was founded in Paris in 1883, as a means of making all aspects of French life and culture more widely known internationally. It is now present in 130 countries, with 1,300 teaching centres.

In addition to the many affiliated branches throughout the world, L'Alliance Française has a base in London where courses are held to teach French at all levels.

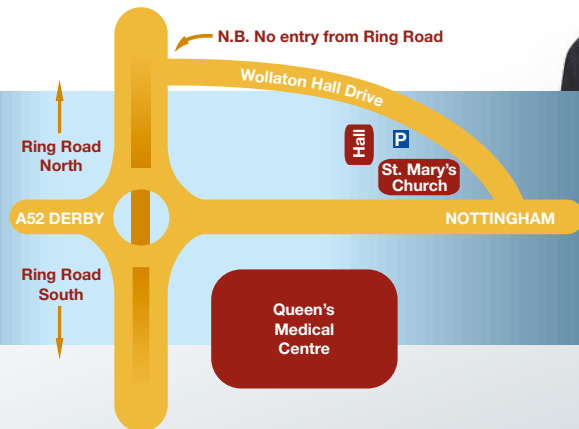

L'Alliance Française offers assessments at the end of each course and its diplomas are recognised by most French educational bodies.

The Nottingham Anglo-French Society is affiliated to the Alliance Française de Londres which assists us by providing a subsidy and a list of people who give talks and lectures on a wide range of topics. These are French people who live in Britain, some are British, while others make lecture tours from France.

The Nottingham Anglo-French Society holds regular meetings on Friday evenings from September to June in St Mary's Church Hall, Wollaton Hall Drive, Nottingham, NG8 1AF. This is off Derby Road almost opposite Queen's Medical Centre. The introduction and notices are given in French and English and the lectures are delivered in French, usually by native speakers.

Anyone with an interest in the French language and culture will be warmly welcomed. There is usually a coffee break in the middle of the lectures and we try to have a number of social events during the year.

Doors open at 7.00 pm for registration, talks and activities start at 7.30pm and finish at approximately 9.30pm.
